

OFFICE OF THE STATE CONTROLLER
STATE MANDATED COSTS CLAIMING INSTRUCTIONS NO. 2008-18
CONSOLIDATION OF NOTIFICATION TO TEACHERS: PUPILS SUBJECT TO
SUSPENSION OR EXPULSION I AND II, AND PUPIL DISCIPLINE RECORDS

OCTOBER 6, 2008

REVISED JULY 1, 2012

In accordance with Government Code (GC) sections 17560 and 17561, eligible claimants may submit claims to the State Controller's Office (SCO) for reimbursement of costs incurred for state mandated cost programs. This document contains claiming instructions and forms that eligible claimants must use for filing claims for the Consolidation of Pupil Discipline Records and Notification to Teachers: Pupils Subject to Suspension or Expulsion I and II program. The Parameters and Guidelines (P's & G's) are included as an integral part of the claiming instructions.

On April 16, 2007 the Commission on State Mandates (CSM) determined that the test claim legislation established costs mandated by the State according to the provisions listed in the P's & G's.

Exception

There will be no reimbursement for any period in which the Legislature has suspended the operation of a mandate pursuant to state law.

Eligible Claimants

With the exception of community colleges, any school district, as defined in GC section 17519, that incurs increased costs as a result of this mandate is eligible to claim for reimbursement.

Reimbursement Claim Deadline

Claims for the **2011-2012** fiscal year may be filed by **February 15, 2013**, without a late penalty. **Claims filed more than one year after the filing date will not be accepted.**

Penalty

- **Initial Claims**

When filed within one year of the initial filing deadline, claims are assessed a late penalty of 10% of the total amount of the initial claim without limitation pursuant to GC section 17561, subdivision (d)(3).

- **Annual Reimbursement Claim**

When filed within one year of the annual filing deadline, claims are assessed a late penalty of 10% of the claim amount; \$10,000 maximum penalty, pursuant to GC section 17568.

Minimum Claim Cost

GC section 17564, subdivision (a), provides that no claim may be filed pursuant to Sections 17551 and 17561, unless such a claim exceeds one thousand dollars (**\$1,000**), provided that a county superintendent of schools may submit a combined claim on behalf of school districts within their county if the combined claim exceeds **\$1,000**, even if the individual school district's claim does not each exceed **\$1,000**. If the total costs for a given fiscal year do not exceed \$1,000, no reimbursement will be allowed except as otherwise allowed by GC section 17564. The county superintendent of schools will determine if the submission of the combined claim is economically feasible and be responsible for disbursing the funds to each school district. These combined claims may be filed only when the county superintendent of schools is the fiscal agent for the districts. A combined claim must show the individual claim costs for each eligible school district. All subsequent claims based upon the same mandate will only be filed in the combined form unless a school district provides a written notice of its intent to file a separate claim to the county superintendent of schools and to the SCO at least 180 days prior to the deadline for filing the claim.

Reimbursement of Claims

To be eligible for mandated cost reimbursement for any fiscal year, only actual costs may be claimed. These costs must be traceable and supported by source documents that show the validity of such costs, when they were incurred, and their relationship to the reimbursable activities. A source document is created at or near the same time the actual cost was incurred for the event or activity in question. Source documents may include, but are not limited to, employee time records or time logs, sign-in sheets, invoices, and receipts.

Evidence corroborating the source documents may include, but is not limited to, worksheets, cost allocation reports (system generated), purchase orders, contracts, agendas, training packets, and declarations. Declarations must include a certification or declaration stating: "I certify (or declare) under penalty of perjury under the laws of the State of California that the foregoing is true and correct," and must further comply with the requirements of Code of Civil Procedure section 2015.5.

Evidence corroborating the source documents may include data relevant to the reimbursable activities otherwise in compliance with local, state, and federal government requirements. However, these documents cannot be substituted for source documents.

Audit of Costs

All claims submitted to the SCO are subject to review to determine if costs are related to the mandate, are reasonable and not excessive, and if the claim was prepared in accordance with the SCO's claiming instructions and the P's & G's adopted by the CSM. If any adjustments are made to a claim, the claimant will be notified of the amount adjusted, and the reason for the adjustment.

On-site audits will be conducted by the SCO as deemed necessary. Pursuant to GC section 17558.5, Subdivision (a), a reimbursement claim for actual costs filed by a claimant is subject to audit by the SCO no later than three years after the date the actual reimbursement claim was filed or last amended, whichever is later. However, if no funds were appropriated or no payment was

made to a claimant for the program for the fiscal year for which the claim was filed, the time for the SCO to initiate an audit will commence to run from the date of initial payment of the claim.

All documents used to support the reimbursable activities must be retained during the period subject to audit. If an audit has been initiated by the SCO during the period subject to audit, the retention period is extended until the ultimate resolution of any audit findings. Supporting documents must be made available to the SCO on request.

Record Retention

All documentation to support actual costs claimed must be retained for a period of three years after the date the claim was filed or last amended, whichever is later. If no funds were appropriated or no payment was made at the time the claim was filed, the time for the Controller to initiate an audit will be from the date of initial payment of the claim. Therefore, all documentation to support actual costs claimed must be retained for the same period, and must be made available to the SCO on request.

Claim Submission

Submit a signed original Form FAM-27 and one copy with required documents. **Please sign the Form FAM-27 in blue ink and attach the copy to the top of the claim package.**

I. SUMMARY OF THE MANDATE

Notification to Teachers: Pupils Subject to Suspension or Expulsion (CSM 4452)

On January 19, 1995, the Commission on State Mandates (Commission) adopted a Statement of Decision finding that Education Code section 49079 as added and amended by Statutes 1989, chapter 1306, and Statutes 1993, chapter 1257, imposes a reimbursable state-mandated program within the meaning of article XIII B, section 6 of the California Constitution for the following activities:

1. Identifying pupils. For identifying pupils from records received from law enforcement agencies or otherwise maintained in the ordinary course of business, who have during the previous three years engaged in or are reasonably suspected to have engaged in any of the acts described in any of the subdivisions, except (h), of section 48900.¹
2. Information Maintenance. For maintaining the information regarding the identified pupils for a period of three years, and a one-time cost for adopting a cost effective method of assembling, maintaining and disseminating the information to teachers.
3. Notifying teachers. For notifying teachers on a regular and timely basis of the pupils whose behavior makes them subject to suspension and expulsion and such notification shall be made in a manner designed to maintain confidentiality of this information.

Pupil Discipline Records, Notification to Teachers: Pupils Subject to Suspension or Expulsion II (00-TC-10/00-TC-11)

On April 16, 2007, the Commission adopted a Statement of Decision finding that Education Code sections 48201 and 49079, as amended by Statutes 2000, chapter 345, impose a

¹ Section 48900, subdivision (h), authorizes suspension or expulsion for possession or use of tobacco or nicotine products, excluding the pupil's own prescription products.

reimbursable state-mandated program upon school districts within the meaning of article XIII B, section 6 of the California Constitution, and approved the test claim for the following reimbursable activities:

- For a school district² into which a pupil is transferring to request from the school district in which the pupil was last enrolled, any records the district maintains in its ordinary course of business or receives from a law enforcement agency regarding acts committed by the transferring pupil that resulted in the pupil's suspension from school or expulsion from the school district. (Ed. Code, § 48201, subd. (b)(1), as amended by Stats. 2000, ch. 345.)
- For a school district, upon receipt of a pupil's transfer record, to inform any teacher of the pupil that the pupil was suspended from school or expelled from the school district, and to inform the teacher of the act that resulted in that action. (Ed. Code, § 48201, subd. (b)(1), as amended by Stats. 2000, ch. 345.)
- For a school district to "inform the teacher of each pupil who has engaged in or is reasonably suspected to have engaged in, any of the acts described ... in Section 48900.2,^[3] 48900.3,^[4] 48900.4,^[5] and 48900.7^[6] that the pupil has engaged in, or is reasonably suspected to have engaged in, those acts." This information is based on any records maintained by the district in its ordinary course of business, or received from a law enforcement agency. (Ed. Code, § 49079, subd. (a), as amended by Stats. 2000, ch. 345.) According to preexisting subdivision (d) of section 49079, this information provided to the teacher regarding pupil offenses is from the previous three school years.

II. ELIGIBLE CLAIMANTS

Any "school district" as defined in Government Code section 17519, except for community colleges, which incurs increased costs as a result of this mandate is eligible to claim reimbursement. Charter schools are not eligible claimants.

III. PERIOD OF REIMBURSEMENT

These consolidated parameters and guidelines are for costs incurred beginning July 1, 2008.

Actual costs for one fiscal year shall be included in each claim. Pursuant to Government Code section 17561, subdivision (d)(1)(A), all claims for reimbursement of initial fiscal year costs shall be submitted to the State Controller within 120 days of the issuance date for the claiming instructions.

If the total costs for a given fiscal year do not exceed \$1,000, no reimbursement shall be allowed except as otherwise allowed by Government Code section 17564.

² These activities also apply to a county office of education that acts as a school district.

³ Education Code section 48900.2 refers to sexual harassment, as specified.

⁴ Education Code section 48900.3 refers to hate violence, as specified.

⁵ Education Code section 48900.4 refers to harassment, threats or intimidation, as specified.

⁶ Education Code section 48900.7 refers to terroristic threats against school officials or school property, or both, as specified.

IV. REIMBURSABLE ACTIVITIES

To be eligible for mandated cost reimbursement for any fiscal year, only actual costs may be claimed. Actual costs are those costs actually incurred to implement the mandated activities. Actual costs must be traceable and supported by source documents that show the validity of such costs, when they were incurred, and their relationship to the reimbursable activities. A source document is a document created at or near the same time the actual cost was incurred for the event or activity in question. Source documents may include, but are not limited to, employee time records or time logs, sign-in sheets, invoices, and receipts.

Evidence corroborating the source documents may include, but is not limited to, worksheets, cost allocation reports (system generated), purchase orders, contracts, agendas, training packets, and declarations. Declarations must include a certification or declaration stating, "I certify (or declare) under penalty of perjury under the laws of the State of California that the foregoing is true and correct," and must further comply with the requirements of Code of Civil Procedure section 2015.5. Evidence corroborating the source documents may include data relevant to the reimbursable activities otherwise in compliance with local, state, and federal government requirements. However, corroborating documents cannot be substituted for source documents.

The claimant is only allowed to claim and be reimbursed for increased costs for reimbursable activities identified below. Increased cost is limited to the cost of an activity that the claimant is required to incur as a result of the mandate.

For each eligible school district, the following activities are reimbursable:

Notification to Teachers: Pupils Subject to Suspension or Expulsion (Ed. Code, § 49079, Stats. 1989, ch. 1306, and Stats. 1993, ch. 1257 (CSM 4452))

2. Information Maintenance. For maintaining the information regarding the identified pupils for a period of three years, and a one-time cost for adopting a cost effective method of assembling, maintaining and disseminating the information to teachers.
3. Notifying teachers. For notifying teachers on a regular and timely basis of the pupils whose behavior makes them subject to suspension and expulsion and such notification shall be made in a manner designed to maintain confidentiality of this information.

- A. Notification to Teachers of Pupils Whose Actions are Grounds for Suspension or Expulsion (Ed. Code, § 49079, as amended by Stats. 2000, ch. 345 (AB 29))

⁷ Section 48900, subdivision (h), authorizes suspension or expulsion for possession or use of tobacco or nicotine products, excluding the pupil's own prescription products.

1. Identify pupils who have engaged in or are reasonably suspected to have engaged in any of the acts described in Education Code sections 48900.2 (sexual harassment), 48900.3 (hate violence), 48900.4 (harassment, threats, or intimidation), and 48900.7 (terroristic threats against school officials or school property) during the previous three school years from records maintained by the district in its ordinary course of business or received from a law enforcement agency, and identify the pupils' teachers.
2.  - a. Sexual harassment, as defined in Education Code section 48900.2.
 - b. Hate violence, as defined in Education Code section 48900.3.
 - c. Harassment, threats, or intimidation, as defined in Education Code section 48900.4.
 - d. Terroristic threats against school officials or school property, or both, as defined in Education Code section 48900.7.

The information provided to teachers pursuant to Education Code section 49079 shall be made in a manner designed to maintain confidentiality of this information.

B. Transfer Student Notifications (Ed. Code, § 48201, as amended by Stats. 2000, ch. 345 (AB 29))

1. For a receiving school district in which the pupil is transferring, to request from the school district in which the pupil was last enrolled any records the district maintains in its ordinary course of business or receives from a law enforcement agency regarding acts committed by the transferring pupil that resulted in the pupil's suspension from school or expulsion from the school district (Ed. Code, § 48201, subd. (b)(1)).
2. For a sending school district in which the pupil was last enrolled, to provide upon request to the school district in which the pupil is transferring any suspension records the district maintains in its ordinary course of business or receives from a law enforcement agency regarding the acts committed by the transferring pupil that resulted in the pupil's suspension from school.

Providing expulsion records is not reimbursable under this mandated program.

3. Upon receipt of information regarding acts committed by the transferring pupil that resulted in suspension from school or expulsion from the school district, inform any teacher of the pupil that the pupil was suspended from school or expelled from the school district, and inform the teacher of the act that resulted in that action (Ed. Code, § 48201, subd. (b)(1)).

V. CLAIM PREPARATION AND SUBMISSION

Each of the following cost elements must be identified for each reimbursable activity identified in Section IV, Reimbursable Activities, of this document. Each claimed reimbursable cost must be supported by source documentation as described in Section IV. Additionally, each reimbursement claim must be filed in a timely manner.

A. Direct Cost Reporting

Direct costs are those costs incurred specifically for the reimbursable activities. The following direct costs are eligible for reimbursement.

1. Salaries and Benefits

Report each employee implementing the reimbursable activities by name, job classification, and productive hourly rate (total wages and related benefits divided by productive hours). Describe the specific reimbursable activities performed and the hours devoted to each reimbursable activity performed.

2. Materials and Supplies

Report the cost of materials and supplies that have been consumed or expended for the purpose of the reimbursable activities. Purchases shall be claimed at the actual price after deducting discounts, rebates, and allowances received by the claimant. Supplies that are withdrawn from inventory shall be charged on an appropriate and recognized method of costing, consistently applied.

3. Contracted Services

Report the name of the contractor and services performed to implement the reimbursable activities. Attach a copy of the contract to the claim. If the contractor bills for time and materials, report the number of hours spent on the activities and all costs charged. If the contract is a fixed price, report the dates when services were performed and itemize all costs for those services.

4. Fixed Assets and Equipment

Report the purchase price paid for fixed assets and equipment (including computers) necessary to implement the reimbursable activities. The purchase price includes taxes, delivery costs, and installation costs. If the fixed asset or equipment is also used for purposes other than the reimbursable activities, only the pro-rata portion of the purchase price used to implement the reimbursable activities can be claimed.

5. Travel

Report the name of the employee traveling for the purpose of the reimbursable activities. Include the date of travel, destination point, the specific reimbursable activity requiring travel, and related travel expenses reimbursed to the employee in compliance with the rules of the local jurisdiction. Report employee travel time according to the rules of cost element A.1, Salaries and Benefits, for each applicable reimbursable activity.

B. Indirect Cost Rates

Indirect costs are costs that have been incurred for common or joint purposes. These costs benefit more than one cost objective and cannot be readily identified with a particular final cost objective without effort disproportionate to the results achieved. After direct costs have been determined and assigned to other activities, as appropriate, indirect costs are those remaining to be allocated to benefited cost objectives. A cost may not be allocated as an indirect cost if any other cost incurred for the same purpose, in like circumstances, has been claimed as a direct cost.

Indirect costs include: (a) the indirect costs originating in each department or agency of the governmental unit carrying out state mandated programs, and (b) the costs of central governmental services distributed through the central service cost allocation plan and not otherwise treated as direct costs.

School districts must use the J-380 (or subsequent replacement) non-restrictive indirect cost rate provisionally approved by the California Department of Education.

County offices of education must use the J-580 (or subsequent replacement) non-restrictive indirect cost rate provisionally approved by the California Department of Education.

VI. RECORD RETENTION

Pursuant to Government Code section 17558.5, subdivision (a), a reimbursement claim for actual costs filed by a local agency or school district pursuant to this chapter⁸ is subject to the initiation of an audit by the Controller no later than three years after the date that the actual reimbursement claim is filed or last amended, whichever is later. However, if no funds are appropriated or no payment is made to a claimant for the program for the fiscal year for which the claim is filed, the time for the Controller to initiate an audit shall commence to run from the date of initial payment of the claim. In any case, an audit shall be completed not later than two years after the date that the audit is commenced. All documents used to support the reimbursable activities, as described in Section IV, must be retained during the period subject to audit. If an audit has been initiated by the Controller during the period subject to audit, the retention period is extended until the ultimate resolution of any audit findings.

VII. OFFSETTING REVENUES AND REIMBURSEMENTS

Any offsets the claimant experiences in the same program as a result of the same statutes or executive orders found to contain the mandate shall be deducted from the costs claimed. In addition, reimbursement for this mandate from any source, including but not limited to, service fees collected, federal funds, and other state funds, shall be identified and deducted from this claim.

VIII. STATE CONTROLLER'S CLAIMING INSTRUCTIONS

Pursuant to Government Code section 17558, subdivision (b), the Controller shall issue claiming instructions for each mandate that requires state reimbursement not later than 60 days after receiving the adopted parameters and guidelines from the Commission, to assist local agencies and school districts in claiming costs to be reimbursed. The claiming instructions shall be derived from the test claim decision and the parameters and guidelines adopted by the Commission.

⁸ This refers to Title 2, division 4, part 7, chapter 4 of the Government Code.

Pursuant to Government Code section 17561, subdivision (d)(1), issuance of the claiming instructions shall constitute a notice of the right of the local agencies and school districts to file reimbursement claims, based upon parameters and guidelines adopted by the Commission.

IX. REMEDIES BEFORE THE COMMISSION

Upon request of a local agency or school district, the Commission shall review the claiming instructions issued by the State Controller or any other authorized state agency for reimbursement of mandated costs pursuant to Government Code section 17571. If the Commission determines that the claiming instructions do not conform to the parameters and guidelines, the Commission shall direct the Controller to modify the claiming instructions and the Controller shall modify the claiming instructions to conform to the parameters and guidelines as directed by the Commission.

In addition, requests may be made to amend parameters and guidelines pursuant to Government Code section 17557, subdivision (d), and California Code of Regulations, title 2, section 1183.2.

X. LEGAL AND FACTUAL BASIS FOR THE PARAMETERS AND GUIDELINES

The Statement of Decision is legally binding on all parties and provides the legal and factual basis for the parameters and guidelines. The support for the legal and factual findings is found in the administrative record for the test claim. The administrative record, including the Statement of Decision, is on file with the Commission.
